

Under Control

We made a deal with the devil to become rich.
It isn't an evil deed but good for the economy.
Although we don't know how to drive back,
somebody else will do that maybe.

Under Control Under Control Under Control
If it was under control.
Under Control Under Control Under Control
If it was under control.

What we are well off now is good for the children,
good for the grandchildren, for the great-grandchildren.
So we need the power of devil.
Don't you understand?
You had better study.

Under Control Under Control Under Control
If it was under control.
Under Control Under Control Under Control
If it was under control.

Nobody objects, cause they aren't yet born.
Nobody objects, we don't have to mind about it.

Under Control Under Control Under Control
If it was under control.
Under Control Under Control Under Control
If it was under control.
Under Control Under Control Under Control
If it was under control.
Under Control Under Control Under Control
If it was under control.

僕らは金持ちになるために悪魔と契約した
邪悪な行いではない、経済のためだ
追い返し方はわからないが、
誰かがたぶんやってくれるだろう

Under Control

Under Control だったらいいのに。

今裕福に暮らすことは子どもたち、孫たち、ひいてはひ孫たちにとっていいことなのだ
だから僕らは悪魔の力を必要としている
わからないのかい？
もっと勉強した方がいい

Under Control

Under Control だったらいいのに。

誰も反対しないよ まだ生まれてないからね
誰も反対しないよ 僕らはそんなこと気にしなくていいのさ

Under Control

Under Control だったらいいのに。
